

## How Engaged Are Your People?

Look at each of the statements below and tick the response that best describes your people. Use the results to identify improvements.

Statement	Never	Occasionally	Often	Always
Our people say yes to new challenges and opportunities				
Our people take time to learn new skills				
Our people give a little extra				
Our people push hard when faced with obstacles				
Our people come in early and stay late when it is necessary				
Our people volunteer for special projects				
Our people accomplish more than average in a working week				
Our people have a can do attitude				
Our people represent our organisation well				
Our people have a genuine interest in organisational success				
Our people pull together to get the job done				
Our people recommend the organisation to others when others in the professionals in their field are seeking work				

**As a result of the assessment results we will focus on improving**

**About Goals and Achievements**

Goals and Achievements help health and healthcare related organisations that are struggling to get results through people to improve leadership, management and team working.
